

CygoLite Night Rover Bicycle Mount Replacement

This guide allows users to replace the CygoLite Night Rover bicycle mount.

Written By: Lauren Noble

INTRODUCTION

This guide allows users to install the bicycle mount onto the CygoLite Night Rover using a Phillips head screwdriver.

TOOLS:

- [Phillips #0 Screwdriver](#) (1)
-

Step 1 — Bicycle Mount

- Place device flat on table with mount side facing up.
- Using a Phillips head screwdriver, remove screw securing mount to device.

Step 2

- When installing the mount, line the hole in the device with that of the mount and screw into place.

To reassemble your device, follow these instructions in reverse order.
